Essco Safety Check is participating in a Town Hall Meeting on February 23rd by providing toy and consumer product testing.

Bellevue, WA February 12, 2008

Essco Safety Check is participating in a town hall meeting hosted by Representative Maralyn Chase by performing free toy and consumer product testing at Third Place Books in Lake Forest Park.

On Saturday, February 23rd, 2008 between the hours of 9:00AM – 12:00PM people can attend the town hall meeting and have toys tested for potential toxins.

With increasing frequency, toys and other consumer products have been recalled due to high levels of lead. As consumers become more knowledgeable of the prevalence and dangers of lead, they are also becoming more aware of the potentially adverse health effects of other toxins such as mercury, arsenic, cadmium, and chlorine.

Essco Safety Check uses laboratory-grade, handheld, X-ray Fluorescence (XRF) analyzers to detect the presence of a variety of toxic substances within your home or business. We provide you with information to “Know what’s in your environment”

If you would like toys tested, please join us at Third Place Books located at 17171 Bothell Way NE, Lake Forest Park, WA 98155 February 23rd, 2008 between the hours of 9:00AM – 12:00PM and join in the town hall meeting.

For more information about toy or consumer product testing please contact 425-749-4136 or visit our website at www.essco-safetycheck.com
